Foundations Of Modern Macroeconomics Second

Complex and poorly defined, infected with a variety of conflicting approaches, it is difficult for the student to get an overall picture of what there is and how it fits in. Foundations of Modern Macroeconomics is aimed at getting around this fundamental problem: it deals with all the major topics, summarizes the important approaches, and gives students a coherent angle on all aspects of macroeconomic thought. Each chapter deals with a separate area of macroeconomics, and each contains a ...
