Freud Lesen In Goa Spiritualit

Sigmund Freud's views on religion are described in several of his books and essays. Freud regarded God as an illusion, based on the infantile need for a powerful father figure; religion, necessary to help us restrain violent impulses earlier in the development of civilization, can now be set aside in favor of reason and science.

Abstract: An exploration of the theory and practice of healing in the Eastern spiritual traditions reveals the centrality of the idealizing transference in the patient-seeker's interaction with the spiritual teacher or the guru although the aim and development of the idealizing transference in the spiritual traditions are quite different from those of self psychology. In its emphasis on the guru's empathy and in claiming that its meditative practices radically reduce the noise and glare ...

Social workers and psychologists working in post-conflict societies are quite often confronted with trauma in their daily working routine. Trauma might emerge during the exhumation of mass graves, in counselling victims of war, or within supervisory case work and has to be dealt with in this professional, but non-clinical setting. The article explores theoretically, and with the help of a case ...
