LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Humax Foxsat HDR Upgrade Problems. The Humax Foxsat HDR is a popular Freesat HD recorder which (like most set top boxes) has some annoying software bugs, due to the company's ongoing lack of Quality Assurance. Unfortunately, the Foxsat also has a poor manual software update process which often fails.
