I first fanboy squealed on page 11, when Judith Lewis Herman created a connection between mental illness and feminism, two of my favorite topics. In the first third of Trauma and Recovery, Herman discusses the history of trauma and how trauma relates to many other concepts, such as politics and warfare. In contemporary society people insulate and isolate the topic of mental illness with alarming speed, so delving into its pervasiveness in all areas of life brought its magnitude back into focus.
